

AMPUMAUURHEILU

Next year in Tornio, the Laivakangas Shooting Center will host an interesting Fitasc Sporting shooting competition!

29 - 30 June 2019 starts with Tornion Open Sporting (200 birds) The competition is at the same time historic because it shares the Fitasc Sporting Finland championship and the Swedish championship medals!

After that, the Midnight Open Sporting competition will be continued from 01 to 02 July 2019 where there will also be shot (200 birds) In this competition, the first part will be shot at night and hope to see the midnight sun!

The total competition is 4 days / (400 birds) the "High Gun" prize is the shooter with the best result / 400 birds. In addition, a lot of high quality prize is awarded to the Tornio Open / Midnight Open competition.

**Welcome to Laivakangas Shooting Center
